Re: *Docket to Establish Generic Performance Measurements, Benchmarks  
and Enforcement Mechanisms for BellSouth Telecommunications, Inc.*  
Docket No. 01-00193

Dear Chairman Tate:

On July 19, 2002, the Georgia Public Service Commission issued an Order adopting a notification process by which BellSouth is required to provide notice and obtain Commission approval of changes to the method by which BellSouth's performance data is calculated. Under this Commission-approved process, BellSouth must provide written notice on the first business day of each month and conduct an industry conference call, after which parties have ten business days to file written comments with the Commission concerning any of BellSouth's proposed changes. BellSouth has established a Notification Schedule for the industry conference calls for the 2004 calendar year. Enclosed for the Authority's convenience are fifteen copies of the Schedule, together with the October 20, 2003 cover letter sent by BellSouth to the Georgia Public Service Commission. Copies of the enclosed are also being provided to counsel of record.

Very truly yours,

  
Guy M. Hicks

*In addition to the schedule for 2004, parties are advised that the conference bridge numbers for future industry calls for the remainder of 2003 have been permanently changed to the same dial-in numbers as shown above.*

Enclosed please find an original and eighteen (18) copies of this correspondence, as well as an electronic version, for filing in the above-referenced proceeding. I would appreciate your returning the three (3) extra copies stamped "filed" in the enclosed self-addressed and stamped envelopes.

Yours very truly,  
  
Bennett L. Ross
